Major Administrative Initiatives

2023-2024	Organization of two 'Generative AI' days at the Wisconsin School of Business
2022-2024	Development and launch of online MSDIA program in partnership with edX.
2021-2024	Development and re-launch of Executive MBA program.
2020-2021	Development and launch of Technology Strategy & Product Management MBA Specialization, as well as coordination of new Marketing specializations in FT MBA.
2019-2020	Development and launch of Professional MBA program and badges lifelong learning structure. Led a team to develop proposal. Oversaw market research and industry feedback. Facilitated campus negotiations and academic governance. Oversaw operational deployment (scheduling, admissions, marketing, technology, course development, training, hiring, etc.).
2018-2019	Oversaw development and launch of three MS programs (Business Analytics, Real Estate, Supply Chain). Coordinated with departments, negotiations with campus, led academic governance, oversaw implementation teams.
2018-2019	Participated in major budget restructuring of the School of Business. Helped to close a significant gap in our budget by e.g. restructuring financial aid and cost cutting.
2016-2018	Development of PharmD/OTM Named Option. Led coordination with School of Pharmacy & campus, supported academic governance, negotiated memorandum of understanding and oversaw launch.

Enno Siemsen, PhD

2015-2016 Introduced STEM Designation to MBA Program Specializations

2012-2013 Participated in development of Executive MBA elective system.
